CNMI Got Talent Competition Format.

Because of the extraordinary circumstances in 2020, the format of the CNMI Got Talent competition is changing this year. Instead of the traditional live performances, all participants will pre-record their performances at Charley's Cabaret at the Pacific Islands Club in San Antonio. A videographer will then create a single video of all the performances. The judges will review and rate the performances. Unlike previous years, there will be no rehearsals and no encore performances.

After November 30, 2020, Bridge will contact you in order to schedule a time to record your performance. Bridge will schedule your performance on **December 7, 8, or 9** between the hours of **12:00 p.m.** and **9:00 p.m.** If you will have difficulty scheduling your performance on these days, please let Bridge know as soon as possible.

You should arrive at the Charley's Cabaret at the Pacific Islands Club at least 30 minutes prior to your scheduled performance. If you do not show up at the day and time

that you are scheduled to perform, you will be disqualified. Participants who are not ready to perform may be disqualified in the sole discretion of the competition organizers.

Participants must follow the instructions of the competition organizers, before, during and after your performance. Failure to follow instructions may result in disqualification.

Organizers of the CNMI Got Talent competition will provide basic audio equipment, including microphones and a sound system, will play prerecorded music accompaniments, and will assist participants with moving scenery, props, and musical instruments on and off the stage. The competition organizers will provide no other assistance to participants. Participants will be responsible for all costumes, props, scenery, musical instruments, recordings, and other performance elements.

Judging.

After December 9, 2020, Bridge's video editors will compile all of the performances into a single video presentation. The judging will begin on December 14 and will end on December 18, 2020.
